We Are An Aeroquip Premier Platinum Distributor And The Only Industrial Supplier On The West Coast That Guarantees a 100% Fill Rate, 24/7

In addition to being an Aeroquip Premier Platinum Distributor, we provide an extensive range of products and services including hydraulic & industrial hose, hose assemblies, pipe fittings, tubing, fasteners, valves and other related industrial supplies to our customers in the construction markets. We are Quality Certified and operate according to ISO Specification.

We stock over 30,000 items in our warehouse, specialize in rare and hard-to-find parts, and are the exclusive provider of **Off The Shelf™**—our very own custom stocking and inventory management program that guarantees a 100% fill rate, 24/7.

Setting The Standard For Reliable Performance, We Are The Partner of Choice For Many Industry Leaders

Charter Industrial Supply is a family owned and operated business and one of the most experienced and trusted suppliers in the industry for planning and supplying major construction projects from the ground up, to the ever changing demands and deadlines of maintenance, repairs and emergency situations. Some of the industries we supply and partner with include: tunneling, road construction, wind and solar, water treatment plants and dams.

We are committed to meeting the demanding requirements of our customer's critical projects and we guarantee that we will not let you down. We never stop trying to do it better.

What Is Off The Shelf™? It's No More Production Down Time
