We Go The Extra Mile

We are known to go the extra mile for our customers. To us, customer service is the most important part of our business. We are here to ensure that you are able to meet critical deadlines and complete jobs on time with our 24/7 Emergency Response. Since we are a smaller company, we are faster and more able to get that hard-to-find product with same or next day service. The word "no" is not in our vocabulary.

We Are The Most Trusted and Responsive Industrial Supplier

Charter Industrial Supply, a family-owned and operated business, is the most trusted and responsive distributor of industrial supplies on the West Coast. Setting the standard for reliable performance, we are the partner of choice for many industry leaders. We provide an extensive range of products and services including hydraulic & industrial hose, hose assemblies, pipe fittings, tubing, fasteners, valves and other related industrial supplies to our customers in the construction and military markets.

We are Quality Certified and operate according to ISO and Military Specification.
