

The West Coast's Exclusive Supplier of Aeroquip™ and Hydrasearch™

## We Are The Only Supplier Of Both Aeroquip and Hydrasearch On The West Coast

### Proudly Supplying And Supporting Our Military For Over A Decade

Charter Industrial Supply has been one of the top providers of supplies and support to the US Navy, US Coast Guard and Military Subcontractors since 2000. We are certified hose and fitting specialists that operate at Military Specification and are the only industrial supplier on the West Coast that distributes both Aeroquip and Hydrasearch.

Our product specialists and logistics support team provide unparalleled service in getting you the supplies you need for immediate and specific jobs, as well as anticipate requirements during planning for future projects to help reduce and ultimately eliminate financial risk.

We also offer our exclusive **Off The Shelf™** Program, a customizable warehouse stocking system that guarantees a 100% Fill Rate, 24/7—so you always have what you need, when you need it.

We carry the highest quality products and operate to ISO and Military Specification. Our commitment to quality assurance provides our customers complete confidence in Charter as the primary supplier for all projects—big and small.

**Charter Industrial Supply Is The Only Hydrasearch and Aeroquip Premier Platinum Distributor On The West Coast That Guarantees A 100% Fill Rate, 24/7**

**Charter Industrial Supply, Is The Most Trusted and Responsive Distributor of Military Industrial Supplies On the West Coast**

Setting the standard for reliable performance, we are the partner of choice for many industry leaders. We provide an extensive range of products and services including hydraulic & industrial hose, hose assemblies, pipe fittings, tubing, fasteners, valves and other related industrial supplies to our customers in the U.S. Military. We are Quality Certified and operate according to Military Specification.

**How About A Job Site Supplier That Stocks Everything You Need, When You Need It?**

At Charter Industrial Supply, we stock over 30,000 items in our warehouse, specialize in rare and hard-to-find parts, and are the exclusive provider of **Off The Shelf**—our very own custom stocking and inventory management program that

guarantees a 100% fill rate, 24/7. We are committed to meeting the demanding requirements of our customer's critical projects and we guarantee that we will not let you down. We never stop trying to do it better.

**What Is Off The Shelf?  
It's No More Production Down Time**

No one can afford production down time. Wouldn't it be nice to have access and 100% in-stock availability of supplies for your entire project or MRO needs? Well, now you can—it's why we created **Off The Shelf**. Off The Shelf is Charter Industrial Supply's exclusive inventory management stocking solution that guarantees a 100% fill rate, 24/7 to help you save time and money while improving productivity so you can spend more time on the job and less time shopping around and waiting for supplies—plus, it costs you nothing. All you have to do is set up an account.

**Off The Shelf Provides:**

- 100% Fill Rate, 24/7 —Guaranteed!
- Efficient and Thorough Inventory Management
- Optimization and Stability of Inventory Levels
- Improved Productivity
- Production Down Time Avoidance
- Elimination of Costly Emergency Parts
- Only Pay For Parts When You Need Them
